One Call Now
message notification service

PROTECT. INFORM. ENGAGE.

- Send instant messages to dozens or hundreds of numbers at once
- Poll your members by requesting a touch tone response
- View online call reports to see who we reached live, or on an answering machine
- Emailed call reports are sent after every call
- Easily add, edit, or delete members online

Be sure to cut out and write your Group ID and PIN on the wallet card below, and keep it handy so you can make calls any time. Your Group ID and PIN will be used when calling our toll free number to send a message, and logging into our website to manage your group.
